## **City Contractor to Begin Work On Central Business District Streets**

Cincinnati, July 8, 2004 – The city of Cincinnati today announced that work to rehabilitate portions of 13 streets in Cincinnati's Central Business District (CBD) is scheduled to begin the week of July 12.

The contractor, John R. Jurgensen Company, Inc. of Cincinnati, will begin the project on Vine Street, between Central Parkway and McMicken Avenue – a distance of approximately ½ mile. Crews are scheduled to work on Vine from 7 a.m. to 5 p.m. Monday through Friday. One lane of traffic will be maintained in each direction on Vine Street during construction.

Also beginning the week of July 12, crews will start work on 4<sup>th</sup> Street, between Walnut Street and Central Avenue. Crews will work on 4<sup>th</sup> Street from 6 p.m. to 11 p.m. on weeknights and from 6 a.m. to 11 p.m. on weekends (if necessary). On-street parking will be restricted during construction with parking restrictions posted in advance, as directed by the Cincinnati Police Department.

Work to be performed by Jurgensen as part of the \$3 million CBD Street Rehabilitation project includes curb repairs, grinding and repairing existing pavement, and repaving with two courses of asphalt. In all, a total of nine lane miles will be rehabilitated under this contract.

Following is a list of all streets in the CBD to be addressed under this contract:

<b><u>STREET</u></b>	<b><u>FROM</u></b>	<b><u>TO</u></b>
4 <sup>th</sup> Street	Walnut Street	Central Avenue
5 <sup>th</sup> Street	Walnut Street	Elm Street
6 <sup>th</sup> Street	Walnut Street	Vine Street
7 <sup>th</sup> Street	Broadway	Sycamore Street
7 <sup>th</sup> Street	Central Avenue	Interstate 75
Central Avenue	Sixth Street	Ezzard Charles Drive
Central Parkway	Broadway	Sycamore Street
Main Street	3 <sup>rd</sup> Street	4 <sup>th</sup> Street
New Street	Broadway	Sycamore Street
North Street	New Street	7 <sup>th</sup> Street
Sycamore Street	Seventh Street	Central Parkway
Vine Street	Central Parkway	McMicken Avenue
Walnut Street	4 <sup>th</sup> Street	5 <sup>th</sup> Street

The street rehabilitation program is one way the city of Cincinnati is investing in its neighborhoods.

The Department of Transportation and Engineering oversees the rehabilitation and improvement of streets in the city of Cincinnati. The Department also is responsible for transportation planning, design, engineering services, structural and geological services, right-of-way regulation and construction management. It is the clearinghouse for all city and regional transportation functions, including serving as a liaison to the Southwest Ohio Regional Transit Authority (SORTA). Visit the Department's web site at [www.cincinnati-oh.gov](http://www.cincinnati-oh.gov) for additional information and construction activities.
